

"Bridging the Hearts & Minds of Our Youth"

Please join St. Joseph Catholic High School, along with Developmental Therapy Center as we participate in the "Bowl for a Cause" on Sunday, October 5, 2014. The event time will be 2:00pm-5:00pm, at Strike Zone Bowling Center at Eastern Heights Shopping Center.

Developmental Therapy Center (DTC) has been in the Tri-State community providing occupational, physical, speech and special instruction therapy to adults and children with special needs since 1951. DTC provides these services regardless of disability or ability to pay. The tragic fire in the Morris Building, home to DTC since 1996, left us without an outpatient clinic to call home. We need our community to help us rebuild!

Your participation is a wonderful opportunity to show your support of St. Joe High School and Developmental Therapy Center and the services these organizations provide to the youth in our area, as well as promote your business in the community.

Sponsorship opportunities include: **advertising in event marketing and publicity, t-shirts, lane sponsor signs, fliers, and banners. Event sponsors will be inclusive to all the above.**

Enclosed you will find sponsorship information and a bowling registration form. Please share this with co-workers and friends who would like to participate in this passionate fundraising event. Thank you in advance for your support. Make a striking difference today!!

Regards,

Belinda Chapman
