

The Irish Insider

From the Principal's Desk . . .

On behalf of the entire faculty and staff, I am excited to welcome you to the 2013-

2014 school year! It is nice to see our halls filled with familiar faces and we are fortunate to see many new ones as well. The school was a very busy place this summer. It has been professionally cleaned from top to bottom and the roof was replaced where needed, thanks to funds from Bishop Bransfield!

Some painting was done, the gym floor refinished, floors waxed and new carpet was installed in the computer lab in Room 301. The remodeling continues this fall with the former Nazareth House next door to our school, as Father Dean and the Bishop are working together to transform this area into an eating area for our students! We thank you for your support and look forward to working

with everyone this year to make it the best ever! My door is always open, so please do not hesitate to contact me with any questions, comments or concerns that you have.

Third Annual St. Joseph's Charity Choice 5K

St. Joseph Catholic Church and Schools, along with Prestera Center, Hoops Family Children's Hospital at Cabell Huntington Hospital and the Huntington YMCA, will host the Third Annual St. Joseph's Charity Choice 5K Run and Walk beginning at 8:30am on Saturday, October 12th. Individuals

are invited to participate as a runner, walker, volunteer and/or sponsor. Awards will be presented to the overall top male and female race finishers, top three finishers in each age group and top three finishers in the stroller division. The event will also feature a pre-race packet pick-up and pasta

dinner from 5pm-7pm on Friday, October 11th at St. Joseph's. The dinner is free to race participants with proof of paid registration and \$7 for each additional person. Register today at www.tristateracer.com or call Carol Gale at (304) 522-2644 or Belinda Chapman at (304) 525-5096 for more information.

Academic Enhancement Committee (AEC)

Our school's Academic Enhancement Committee (AEC) is a volunteer group that was formed to assist the faculty and staff with events and activities, which is similar to a traditional PTO. In the past, the AEC presented our teachers with small gifts of appreciation throughout the year, hosted teacher lunches and held a pot-luck Christmas dinner for parents. This year, we are hoping to introduce CPR certification to all of our students, assist with class retreats

and recruit other parents to be involved in our school and its many activities. We are always looking for volunteers to be a part of our AEC. If you are interested in joining the committee, please call the school at (304) 525-5096 or email kfischer@stjosephhs.org.

From the Counselor . . .

A great way to start the new school year is to set goals. What do you have to accomplish in a month, 6 months, a year . . . 4 years? Goals help us to find direction. We have to make choices in order to get closer to those goals, so hopefully they are good choices. A good choice would be to listen to the teacher in the classroom. Another good choice would be to ask questions when you do not understand something, even if it is

after school where you would receive 1:1 attention. Remember that there are no "stupid" questions. Don't be afraid to seek tutoring - everyone has a subject that they could use help with. Set good study habits by finding a time and place that works for you. Keeping a planner is a great way to stay organized and to make sure you remember when assignments are due. Whether you are in the 9th grade or 12th, it is time to put your

best foot forward because today begins an important step toward your future. I hope you have your goals set high because here at St. Joseph's we have high hopes for you!
