Register NOW for the 2014-15 School Year

It's that time of year! Registration for the next school year began on Monday, February

24th and will run through Tuesday, April 15th. Registration during the last quarter of each school year is very important so we can make adjustments in our faculty and class sizes. This ensures that we continue to

provide the best education here at St. Joseph's!

Parents, please talk with your child(ren) and look at the classes we offer and discuss a tentative schedule with them. You can find our dual credit options and graduation requirements under the Academics tab on our website. You can also see our extended curriculum, such as West Virginia Virtual

School and Online College Courses in High Schools, which is different from dual credit. If you have any questions, please contact Mrs. Appell.

Don't forget to register by April 15th to avoid paying an additional \$50 in registration fees.

Purchase your 2013-14 Yearbook TODAY!

If you have not purchased a yearbook for this school year, do it NOW! You can purchase them online at jostensyearbooks.com or you can place an order with a credit card with Mrs. Popp for \$35. To date, we have only sold 40 yearbooks. The cost to print a yearbook is

\$70 with the difference being made up from ad sales and the school paying the balance. Due to the lack of sales, this may be our last yearbook. Please support the yearbook staff by purchasing a copy today and/or an ad. It would be a shame to discontinue this 80 year tradition!
