Carnival on the Block is an annual fundraiser organized by the St Joe grade schools and was celebrated on Friday, the 21st and was a huge success. The cake walk, like every year, brought in a crowd and made a lot of money. This year the inflatables were also a huge hit and most of the kids spent all their time on them. This years carnival was another success and brought in a bunch of money to the school like expected to.

Written By: Errin K.

What is SADD? It is Students Against Destructive Decisions, the mission of this organization is to prevent students from teen substance abuse. Our students here at St. Joe along with other schools in the district collaborated to battle substance abuse. Some of the major topics that were discussed were Juuling, Vaping, and Cyberbullying. Which are majors issues in teens to-day!
