

Senior Year

By: Errin K.

This is the time everyone says they can't wait for and it's finally here! Senior Year is a year to remember. By deciding which college to attend or what major to go into. Ordering our Caps and Gowns is making me realize that there's only 6 months left of high school left. On November 6th, senior pictures were taken and we did order our Caps and Gowns, finally!

Red Ribbon Week

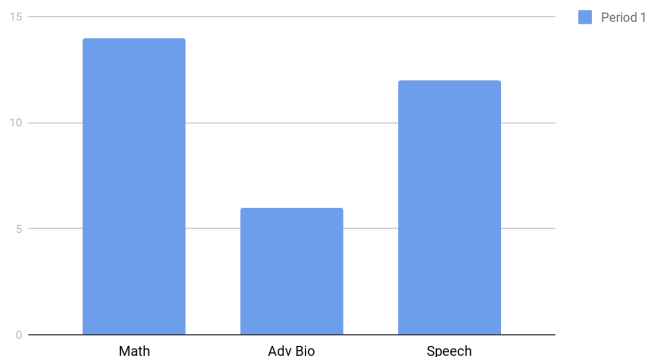

Article by: Noah B.

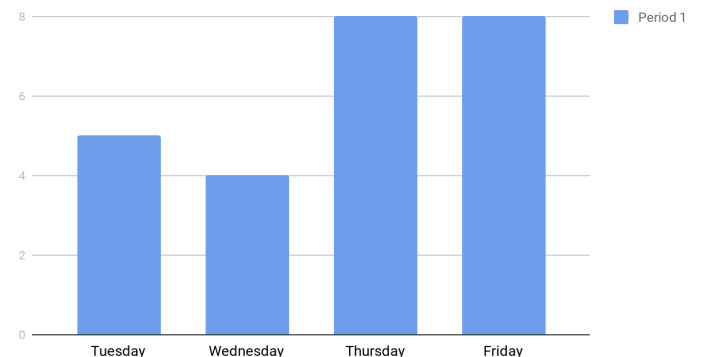

Wednesday, October 31, it was a great day to say the least. If you do not remember, this was pie day and costume day. There definitely was a lot of marvelous costumes, my favorite one, was Gracie B's cookie, I think we all got a kick out of that one. Then there was the famous teacher/senior pie in the face (whipped cream). I think our favorite hit was Mrs. H. Even the middle school students got to hit the teachers! But in the end let's not forget the most important part of this week, the drug awareness and severity of drug use. In total the whole red ribbon week went great. Thank you to all the students and teachers for making this week amazing!

SPORTS

Winter Sports By: Luke S & Isaiah M

Fall sports are ending, time to put away the cleats, volleyballs, golf clubs, and running shoes, get out your basketballs, swim suits, and pom poms. Winter sports are here. Basketball brings about cheerleading, which practices twice a week. After getting through the first few months of school, everyone is ready to let out their energy and spirit for the school. Winter sports, especially basketball, usually have the largest amount of school spirit and participation in student sections.
