Social Studies Fair—By: Noah B.

Congratulations to all the St. Joe students who participated in the Cabell County Social Studies fair on 2/12/2019. Emmanuel O. Placed 1st, Anne B. Place 1st, Taryn Q. Placed 1st, Audrey H. placed 1st as well, Campbell G. Placed 2nd, and Jade S. With a 3rd place finish! These students will move on and represent Cabell County at the regional competition next month being held at the Big Sandy Arena. All of the students from St. Joe really represented our school great and we wish you the best of luck in the regional competition!

Trivia—By: Noah C.

Trivia day was originally supposed to be held during catholic schools week but was cancelled due to an OSD day. It was held on 2/14/2019 during 4th and 5th period in the school gym. The requirements were to bring two canned food items to be able to play. There were many teams competing for first place so they could walk away with the top prize. Overall it was a fun experience and most people enjoyed it. We hope to see this every year for now on.

Advanced Trig Field Trip—By: Max B.

This past Wednesday, the advanced trigonometry class took a field trip to the Escape Room in Pullman Square. They participated as a class in three different scenarios and escaped all three times. Each scenario also had some relevance to math and mathematical equations. Congratulations to the class for escaping the room!

Blood Drive—By: Hayden C.

After talking with a few of the students about their experience in the blood drive, these were the experiences they all shared. After waiting to be called, and getting checked to see if they're allowed to give blood, they are placed on the table. Before and while giving blood, it was a nervous point for them, thinking that they might get sick and could pass out. It was a long process of laying on a bed and redirecting blood into a bag. Once they finished, they were all relaxed while also feeling slightly drowsy.

My experience with the blood drive was different, because I was not able to donate blood. I was my first time ever giving blood and I did not know all the requirements needed to be able to give blood. I still attempted to give blood and I was nervous, but I still wanted to donate. I eventually gave up and got off the bed when they asked me finally if I ate enough.

Girls—By: Errin K.

Our Lady Irish Basketball team played on Tuesday at Ashland High School. They came out with a win, the score was 64-43. The Irish traveled to Maryland to take on Mercy Academy and National Christian.

Prep—By: Zach L.

The Huntington Prep Fighting Irish will travel this weekend to Virginia to take on Heritage IJN High school and Hamilton Heights High school, looking to secure quality wins to help them attempt to lock in on a spot at the Geico National Tournament held in New York. As of late they've been on the bubble, only because teams higher in the rankings have such few losses.
