

# SPANISH 2

Summer work and Placement Test

## HOLD!

I'm Mrs. Qualls and I am St Joe's High School Spanish teacher. I'm very excited you are thinking about choosing Spanish as your foreign Language path in our school. We have a great program in St Joe, we offer three basic levels of Spanish , Honors Spanish, that is a dual credit class with Marshall University, and AP Spanish Language and Culture.

If you have taken Spanish in Middle School, we want to make sure you come with the right basis to be successful in Spanish 2, so we ask you to take a placement test. Due to the COVID-19 we understand that some schools might have not been able to complete the Spanish I curriculum, so we want to give you the tools you might need to review your knowledge in Spanish and maybe just get a small introduction to some of the topics that you might have not completed in Middle School, and you are going to need in Spanish 2. So I have created a Google Classroom to help you with that.

In addition to review, if you plan to take Spanish 2, there is also summer work to help you practice what we learned in Spanish 1, you can also see the things and tools we used in Spanish and get used to them.

To enroll in our Google Classroom, you need to have a gmail account, does not need to be your school account, and go to:

<https://classroom.google.com/>

You will select "join a class" and enter the code:

Jmmw6o5

Once you join, you will get access to the activities and resources for the class and your summer work. If you have any questions or have issues joining the class, you can email me at:

[Araceliqualls@st.josephhs.org](mailto:Araceliqualls@st.josephhs.org)

Welcome again to St Joe High School, I'm excited to see you in class!  
saludos,

Mrs. Qualls
